

BP300306KM Built-in Oven

Added steam for great taste, texture and colour

The SteamBake function on this oven adds steam at the beginning of the baking process. The steam cooking keeps the dough moist on the surface to create a golden color and tasty crust on your bakes, while the heart stays soft and tender.

Impress the professionals!

Pyroluxe® Plus cleans thoroughly enough to impress the professionals; the self cleaning function heats the oven up to 500°C.

Higher performance with our exclusive cooking technology

Our new exclusive ThermiC° Hot Air cooking technology ensures precise heat circulation and temperature control.

More Benefits :

- Compared with standard trays, this XL Baking Tray is 20% bigger, making it possible for you to prepare even larger batches of delicious baked goods.
