Product Description

It's easy to see why GBC ClickBind™ has become such a popular document finishing solution. This fast, easy binding style enables you to create stylish documents of up to 145 pages accurately and quickly, ensuring your reports and presentations stand out from the rest. Made of durable plastic, the spines can be zipped open and shut with a special editing tool so you can add or remove pages on the spot, wherever you are. And the bound pages lie flat with 360 degree rotation for convenient note taking and photocopying.

Features

- Environmentally friendly: made from polypropylene, ClickBind™ spines are environmentally friendly and recyclable.
- Editable and reusable: simply zip open the spine of bound documents to remove or replace individual pages, or use the spine again for a new document.
- Modern and stylish design: in a choice of 4 contemporary colours, ClickBind is the easy yet stylish choice for document binding.
- Available in three sizes: 8mm, 12mm and 16mm with a binding capacity from 2 up to 145 sheets.
