

# Expression Photo XP-960

## DATASHEET

Print large, beautiful photographs with the compact and stylish XP-960. Featuring a six-colour Claria Photo HD Ink-set, it can deliver fabulously detailed A3-sized prints and photos. It's versatile too; Epson Connect offers users a whole suite of mobile printing options.

### HD-quality prints

Epson's six-colour Claria Photo HD Ink is ideal if you are looking to produce superior-quality, long-lasting photographs, as it delivers smooth tonal gradations, deep natural blacks and rich, vibrant colours.

### Mobile printing

Whether using a smartphone or tablet, the iPrint app<sup>1</sup> can be downloaded to a range of devices for truly wireless printing and scanning. The possibilities don't end there, with Epson Email Print<sup>1</sup>, it is possible to print from anywhere in the world<sup>1</sup> by simply emailing documents and photos directly to the printer. For creative-minded people the Creative Print<sup>1</sup> app can access Facebook photos, create custom greeting cards and stationery, and even turn photos into colouring book templates. For added versatility, Wi-Fi Direct allows easy printing from compatible wireless devices without the need for a network connection.

### Easy to use

A 10.9cm interactive LCD touch-screen makes navigation and printing directly from memory card quick and simple. For even easier operation, a motorised control panel and output tray mean truly hassle-free printing.

### Advanced control

Switching between photo and A4-sized prints is easy with two front-loading paper trays. Printing onto thicker media in sizes up to A3 is possible with the rear speciality media feed, while printing directly onto suitable CDs/DVDs is also possible. A4 duplex printing helps save time and reduce paper usage.

## KEY FEATURES

- **Compact Photo all-in-one**  
Print in sizes up to A3, scan and copy up to A4.
- **Mobile printing**  
Freedom to print and scan from almost anywhere<sup>1</sup>
