# Winning Choice For Your Business

Brother's Inkjet Multi-Function Centre series brings affordability, multiple functionality and A3 print capability together, giving your business incredible flexibility at outstanding value.

## Increase Workspace Efficiency

The Inkjet Multi-Function Centre series introduces superior paper handling capabilities so you can enjoy the range of options you need to work at optimal productivity.

Tailored to handle high volume printing, it features dual trays with 500-sheet\* capacity for paper up to A3 size. This effectively cuts out the hassle of frequent paper reload.

Furthermore, with a multi-purpose tray\* that handles up to 80 sheets in A4, or 5 sheets in A3, switching between printing envelopes, labels and paper of varied thickness and size has never been easier.

Plus, the 50-sheet\* automatic document feeder makes copying, scanning and faxing easy and efficient, giving you time to get on with more important tasks.

## Save More With Every Print

Meet your business demand and save on running costs with 2,400 page-yield\*\* InkBenefit cartridges.

You may also save more ink easily with Ink Save Mode, which is ideal for printing draft documents without excessive ink wastage. Plus, an individual ink cartridge system allows you to replace only the colours you need and still print in black even if colour cartridges run out.

Additionally, deliver high impact A3 colour printouts and documents by taking your A3 printing in-house. Last but not least, you may save on paper costs with the automatic 2-sided printing option.

Multi-Purpose Tray\*  
Up to 5 sheets A3 or 80 sheets A4

A3 Dual Trays  
Up to 500-sheet\* paper capacity

Automatic Document Feeder  
Up to 50 sheets\*

Rear Bypass Tray  
Single sheet

## Multiply Productivity

Perfect for your business, the multi-purpose Inkjet Multi-Function Centre series packs a myriad of features into small machine footprint.

It prints up to A3 and boasts automatic 2-sided scanning and faxing up to A4\*.

With wireless LAN capability, a single machine can be shared amongst multiple users, allowing you to save valuable resources.

You will also benefit from enhanced productivity with innovative features such as Brother's Apps, Mobile Print, WebConnect and Cloud capabilities.

In addition, iPrint&Scan, Airprint, and direct PC-less print allow you to conveniently print without a PC.
