

LOGITECH® WIRELESS MOUSE M545

Effortless, natural navigation so you can be more efficient in Windows® 8

Windows® 8? Easy. Click a thumb button to switch between the Start Screen and your Desktop. Tilt the Dual-Axis wheel left or right to activate the App Switcher or Charm Bar*. With the new Wireless Mouse M545, Windows® 8 is at your command.

FEATURES AT A GLANCE

Extra control right where you need it

- Two thumb buttons make it simpler and faster to get things done
- Pre-programmed for Windows® 8 Start screen and Desktop switching functions, but can be configured to do exactly what you want them to*

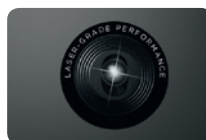

Plug it and forget it

- Easy wireless connection with pico receiver, Logitech's smallest-ever wireless receiver at just 3 mm long
- Practically disappears in your laptop's USB port—no need to unplug it when you move around
- Connects up to 6 Unifying-compatible devices

A new, more powerful scroll wheel

- Dual-Axis wheel gives you more power and control than traditional scroll wheel
- Optimized for smooth scrolling
- Tilt right to instantly access the App Switcher, left to activate the Charm Bar*

Point and click with precision

- Laser-grade optical sensor for precise cursor control on just about any surface

Long battery life

- Get up to 18 months of power from a single AA battery**
- Auto sleep mode plus On/Off switch saves power

WHAT YOU NEED

- Windows® 10, Windows® 8, Windows® RT, Windows® 7, Windows Vista®, Chrome OS™, or Linux® kernel 2.6+
- USB port

WHAT'S IN THE BOX?

- Logitech Wireless Mouse M545
- Logitech Pico receiver
- 1 AA battery
- User documentation
- 1-Year Limited Hardware Warranty

Product description

100-word description

Logitech® Wireless Mouse M545 is designed for effortless navigation, so you can be more efficient in Windows® 8. Its two extra thumb buttons come programmed for Windows® 8 Start screen and Desktop switching functions, or can be configured to do exactly what you want them to.* And the new Dual-Axis wheel gives you more power and control than a traditional scroll wheel. It is optimized for smooth scrolling and lets you instantly access your open apps as well as universal tools like Search, Share and the Start Menu.* The M545 includes the plug-and-forget pico receiver—our smallest ever. You can work or play for up to 18 months between battery changes. And the laser-grade optical sensor lets you work on just about any surface—from the local café's metal tables to your tile countertops to your polished wood desk.

*Customization requires Logitech® SetPoint™ software, available for download at www.logitech.com/downloads.
