

Epson AcuLaser CX28DTN

With print, scan and copy functions plus a high duty cycle, this robust, multi-functional colour laser printer meets the demands of both medium-sized workgroups and larger businesses.

Highly productive, reliable and fast at 24 ppm in both black and white and colour, the All-in-One CX28DN Series is a dependable solution for your business, designed to handle extensive use. And with Gigabit Ethernet connectivity, networked access to colour printing and copying is open to your entire workgroup.

DATASHEET

KEY FEATURES

- Networked colour laser printing - Colour laser printing and copying is readily available to all users, and when combined with Ethernet Gigabit connectivity gives an outstanding level of networked services to your entire workgroup.
- Highly productive - Work faster and more efficiently thanks to the 24 ppm print speed, whether printing in black and white or colour, and enjoy the benefits of a high duty cycle of 60,000 pages. And with print, scan and copy features, double-sided printing plus a duplex Automatic Document Feeder as standard, this is the multi-functional printer that performs as hard as your team does.
- Flexible solution - Scan documents directly to a PC, network folder, an email or a USB key. And with optional add-ons you can both increase memory and the paper capacity with an additional cassette, holding up to 850 sheets in total.
- Easily integrated - This printer can be simply integrated into a vast range of advanced IT systems, including Windows, Mac and Linux. From Postscript to PCL, there are a variety of standard emulations already embedded within the CX28DN Series, making this a perfect fit for almost any IT set-up.
- ENERGY STAR-qualified power efficiency for minimal environmental impact.

PRODUCT SPECIFICATIONS

TONER CARTRIDGE COLLECTION PROGRAM

This free service helps us to collect and recycle used Epson toner cartridges in a safe and environmentally-friendly way. There are three easy ways to dispose of your empty cartridges and take an action role in reducing waste:

- Put them in a toner cartridge collection box which will be picked up once full
- Return them free of charge by Post
- Drop them off at an Epson Express Center. Please visit www.epson.com/recycle for more details about the program.
