

# SD5200T Thunderbolt 3 Docking Station

K38300NA

## Product Description

For over 35 years, Kensington has been The Professionals' Choice for desktop productivity solutions. Continuously supporting the most advanced technology, Kensington has engineered the game-changing SD5200T Thunderbolt 3 Docking Station for Windows and Mac. Whether you're a video editor, graphic designer, content creator, gamer, or just someone who wants to simplify a 4K workspace, you get more—more speed, more pixels, more power, and more possibilities. Accommodating a single Thunderbolt 3 cable carrying up to 40Gbps of data, which is enough bandwidth to simultaneously run two 4K monitors at 60fps, while also providing up to 85W of laptop charging, the SD5200T Thunderbolt 3 Docking Station is a power user's solution for hyper-productivity.

## Features

- Cross-Platform Compatibility allows this Thunderbolt 3 dock to work for both Windows and Mac users
- Thunderbolt 3 Technology allows a single port to provide up to 40Gbps of data speed, and connectivity to Thunderbolt-enabled devices, billions of USB devices, and USD displays – all while supplying power
- 5K or 4K for Dual Monitors supports the crisp resolution, contrast and color depth of Ultra HD via DisplayPort or HDMI (adapters sold separately)
- 85W Power Delivery to charge the host device (Host device must be designed to support Power Delivery for dock to provide charging)
- Productivity Ports connect to peripheral accessories via one USB-C 5Gbps port with 15W, two USB 3.0 ports (one of which is a 2.1A charging port), one DisplayPort++, one Gigabit Ethernet port, and 3.5mm headphone and microphone jacks
- Daisy Chaining allows connection for up to 5 additional Thunderbolt-enabled devices
- Kensington Security Slot™ protects your technology investment via easy implementation of a cable lock
- Zero Footprint Mounting provides the option to attach the dock to the back of any VESA-compatible external display to accommodate space-challenged workspaces (mounting plate (K33959WW) sold separately)

## Each information

Depth	4.06"
Width	4.73"
Height	9.69"
Gross weight	3.08lbs
UPC#	085896383000
Unit quantity	1

## Case information

Depth	17.01"
Width	10.16"
Height	5.9"
Gross weight	13.33lbs
UPC#	50085896383005
Unit quantity	4

## Shipping Information

Country of origin	??
Minimum Order Quantity	4
Warranty Period	36
Lowest possible unit	Case

## General information

Color	Silver
Moore #	KMW38300
