HP PageWide Color 755dn

A new era of low-cost colour, high productivity, and strong security

Business moves fast, and slowing down means falling behind. It's why HP built the next generation of HP PageWide – to power productivity with a smart, efficient design that delivers low colour cost, maximum uptime, and strong security.

Dynamic security enabled printer. Only intended to be used with cartridges using an HP original chip. Cartridges using a non-HP chip may not work, and those that work today may not work in the future. Learn more at: http://www.hp.com/go/learnaboutsupplies

2-sided printing

Low cost for colour¹

- Get the quality you expect with HP PageWide Technology that delivers low cost per colour page.¹
- Print even faster and save even more per page by setting this printer to General Office mode.²
- Help keep energy costs down with the most efficient printer in its HP class.³

Minimal interruptions. Maximum uptime.

- Minimise interruptions with an HP PageWide printer designed for the least maintenance in its HP class.⁴
- Print speeds as fast as 55 ppm in colour and black-and-white.
- Print Microsoft® Word and PowerPoint® files with a USB port that quickly recognises, formats, and prints.⁶
- Equip this HP PageWide printer with a variety of accessories to meet the needs of your office.

Strong security designed to detect and stop attacks

- A suite of embedded security features help protect this printer from being an entry point for attacks.
- Help ensure the security of confidential information. Enter a PIN at the device to retrieve your print job.
- Easily set configuration policies and automatically validate settings for every HP printer in your fleet.
- Thwart potential attacks and take immediate action with instant notification of security issues.

Designed with the environment in mind

- Conserve resources with HP PageWide designed to use less energy than any laser printer in its HP class.³
- This printer meets rigorous standards for ISO class 5 cleanrooms perfect for sensitive environments.
- Help reduce your impact. Count on easy cartridge recycling at no charge through HP Planet Partners.⁸
- Keep noise to a minimum with a printer designed to be quiet. Place it near people without disrupting work.

Model	HP PageWide Color 755dn
Product number	4PZ47A
Certifications	CISPR 22:2008 Class A; CISPR 32:2012 Class A/EN 55032:2012 Class A; EN 55024:2010; EN 61000-3-2:2014; EN 61000-3-3:2013; ICES-003, Issue 6 Class A
Country of origin	Product of Malaysia
What's in the box	HP PageWide Color 755dn Printer; HP Setup Ink Cartridges; Installation guide; Support flyer; Documentation on CD; Power cord
Warranty	One-year, on-site warranty, service and support; One-year technical phone support, chat, and e-mail

Footnotes

1 HP's lowest cost per colour page claim applies to devices that are not sold under contract: Comparison of HP PageWide A3 devices with the majority of HP in-class colour ink/laser MFPs (€2.820-€7.049) and colour ink/laser single function printers (€1,410-€2,819) as of January/February 2017. Cost per page (CPP) reported by gap intelligence Pricing & Promotions Report January/February 2017; comparisons for devices/supplies not sold under contract are based on published specifications of the manufacturers' highest-capacity cartridges, inclusive of long life consumables and page yield. Average HP yield based on ISO/IEC 24711 and continuous printing in default mode. Actual yield varies based on content of printed pages and other factors. For more information, see http://hp.com/go/learnaboutsupplies.

² Comparison based on printing in Professional mode.

- ³ Energy claim based on TEC data reported on energystar.gov as of February 2018. Data normalised to determine energy efficiency of HP in-class A3 colour laser printers and MFPs with published speeds of 20 to 80 ppm,
- excluding other HP PageWide products. Subject to device settings. Actual results may vary.

 4 Fewer service parts claim based on HP analysis of HP in-class A3 colour laser printers and MFPs as of February 2018; calculations use publicly available and/or published manufacturer rated yields for long-life consumables and assume 600,000 pages printed (using a 60% black/40% colour ratio).
- 5 Comparison of HP PageWide A3 devices with the majority of HP in-class colour ink/laser MFPs (ξ 2,820- ξ 10,199), and colour ink/laser single function printers (ξ 1,410- ξ 4,099) as of April 2018 excluding other HP PageWide products. HP PageWide speeds based on General Office mode and exclude first page.
- ⁶ Feature works with Microsoft® Word and PowerPoint® 2003 and later. Only Latin language fonts are supported.
- ⁷ Requires separate purchase. For details, see http://hp.com/go/securitymanager.
- ⁸ Program availability varies. For more information, visit http://hp.com/recycle.

Technical specifications disclaimers

- 1 Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
- ² HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- ³ All HP media listed as compatible with the printer in the HP Designjet Printing Supplies Compatibility Guide, regardless of weight, may be used.
