Next level gaming

Take your games to the next level with the GXT 322B. This headset is specifically made for PlayStation gaming and brings you great quality sound with a deep bass. Simply plug in the cable and you're ready to enjoy all your gaming sounds.

Comfortable design

The GXT 322 is designed for long and intense gaming sessions with its comfortable meshed ear pads. The ear pads fit around your ear perfectly and help to cancel any noise while you are playing a battle with or against your friends.

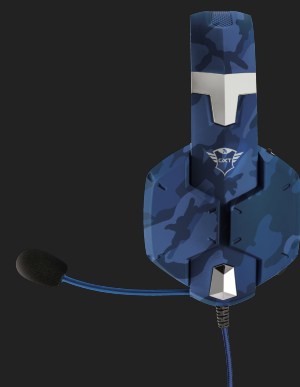

Connect and play

The Carus has a 1m cable to connect it to your PlayStation 4. Lengthen the cable with the included 1m cable for easy use with your PC or laptop. For easy control of your gaming sounds, you can use the volume control and microphone mute switch on the earcups: stay fully concentrated on your game at all times.

Flexible microphone

The Carus features a microphone, which picks up your voice easily while talking to friends. You can bend the microphone into any position that is best for you. Not a word will be missed while talking to your teammates during an important battle!
