

## EXILIM EX-H5

EXILIM  
HI-ZOOM

## HIGHLIGHTS

**24 mm wide-angle lens**

Whether for landscape photos, tourist sights or group pictures in confined spaces, the 24 mm wide-angle lens\* makes the EX-H5 your perfect companion whatever the occasion.

**10x optical zoom with mechanical image stabiliser**

It's easy to zoom in on those special moments: the 10x optical zoom can bring even the most distant subjects right up close, while the mechanical image stabiliser automatically reduces blurring.

**12.1 megapixels**

Within its compact and elegant housing, the EX-H5 hides 12.1 megapixels, which don't just give you spectacular photos but also ensure outstanding detail.

**HD video recording**

The HD video recording feature on the EXILIM EX-H5 allows you to shoot high-resolution and detailed videos with a resolution of 1280 x 720 pixels\*\* — simply press the Movie button and start recording.

**EXILIM Engine 5.0**

The digital brain of the EXILIM camera is the EXILIM Engine 5.0.

The EXILIM Hi-Zoom EX-H5 is available to buy from specialist dealers, shopping centres, electrical goods stores and all good shops.
