

THZ63503GL | Targus 3D Protection for 9.7-inch iPad Pro™

Wrap your 9.7-inch iPad Pro™ in strong, military grade drop protection. Engineered for durability without adding weight, this architectural 3D Protection Case features a flexible tray with wrap-around bezel and reinforced corners to ward off bumps and dings. The patent-pending tray design also flexes to fit earlier versions of iPad Air for a snug, safe fit. It is also structurally designed to redirect sound for enhanced audio. Precision cutouts give full access to controls, ports and cameras. The structured cover is engineered to protect, while a non-slip interior makes it easy to adjust your device into infinite viewing angles or a comfortable typing position. A magnetic tab closure keeps device secure for transporting. Altogether, it's a superior choice for protecting your latest 9.7-inch iPad Pro™. Warranty Limited Lifetime Warranty. Military Specification Design Pass military specifications MIL-STD-810G to protect from drops up to 4ft./1.2m Compatible with 9.7-inch iPad Pro™, iPad® Air 2 & iPad® Air Multi-generation device for a precise fit. Full Tray Protection Full protection with precision cut access to controls, ports and camera lens Magnetic closure Keeps your device safe while on the go.
