Setting up your tablet

Your tablet already has a SIM card installed.

Optional: Insert the microSD card

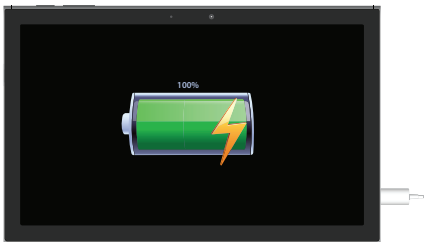

1. With the tablet screen up, insert the card tray removal tool that came with your tablet into the hole next to the SIM/microSD™ card tray and gently press until the tray pops out.
2. Slide out the tray, being careful not to let the SIM card fall out of the bottom side.
3. Place the microSD card in the tray with the gold contacts facing down, as shown.
4. Slide the SIM/microSD card tray back into the tablet and press until secure.

NOTE: microSD card sold separately.

Charge your tablet

Before turning on your tablet, charge it fully. Your tablet comes with a charger and a USB cable. Plug the smaller end of the cable into the USB/charger port on your tablet and the other end into the charger. Then plug the charger into an electrical outlet to charge the tablet.

WARNING: Only use approved chargers with your device. Incompatible chargers or tampering with the charging port could damage your device and void the warranty.
