WATER REPELLENT

Multiple layers of polyurethane plus DWR C6 coating form a virtually impenetrable shield to keep water out of your bag. And because our goods are built to last a lifetime, it's friendlier to the environment (so no matter what colour bag you choose, it's going to be green).

COMFORTCARRY™

Our air channel back-panel-and-yoke system wraps around you to provide improved weight distribution. In other words: maximum comfort.
