HP Hot Desk Stand

Streamline your setup

Redefine workspace design with the HP Hot Desk Stand, a ready-to-go touchdown station that supports a monitor and plug-and-play dock, enhances productivity, and provides a clean and comfortable workspace for your mobile and flexible workforce at an affordable price.*

Assemble in a snap
Easily install the stand on a desk or table. Secure the clamp with two thumbscrews, slide the monitor arm on, and add one display up to 32" diagonal with four additional thumbscrews. Use the cable management features to keep your work area tidy.

Ready, set, dock
Create a universal touchdown station by adding an HP USB or USB-C™ Dock that powers your notebook[1] and expands its functionality with just a single cable connection.

Expand your view
Add the HP Hot Desk 2nd Monitor Arm[2] to use two 27" diagonal monitors and see your productivity soar.

Rest easy
Get the reassurance of a one-year limited warranty.

1. Dock sold separately. USB-C™ dock powers notebooks that accept power input through their USB-C™ port.
2. Sold separately. HP Hot Desk 2nd Monitor Arm must be used with the HP Hot Desk Stand. The HP Hot Desk 2nd Monitor Arm with HP Hot Desk Stand can hold dual 27" diagonal monitors.
* Includes one monitor arm and extension, hardware
This arm is not a stand-alone product; intended for use with the HP Hot Desk Stand, SKU # W3Z73AA, to create a dual-monitor configuration.
