

Pro Fit® Mobile Wireless Mouse

Tracks on more surfaces, clutter-free

K72366US

Product Description

You work practically anywhere and so does the Kensington Pro Fit® Mobile Wireless Mouse. The advanced Blue Optical sensor tracks accurately on more surfaces than standard optical sensors. What's more, the Pro Fit is constructed to survive the rigors of the road. So when you're ready to work - wherever that may be - so is the Pro Fit Mouse. PC and Mac compatible.

Features

- Plug-and-Stay nano receiver is so small you can plug it in and leave it in. Or store the receiver in the battery compartment.
- Advanced Blue Optical sensor tracks on more surfaces than standard optical.
- 2.4 GHz wireless for long range and minimal interference.
- Contoured buttons and sculpted sides mean no compromise on comfort.
- Built to last with a limited lifetime warranty.
- Built to survive the bumps and bruises of on-the-go use.
- Up to 6 month battery life.
- Compatible with Windows® 8
