Short description

Intel® Core™ i3-4010U processor, Windows 8, 500 GB hybrid hard drive incl. cache (8 GB flash memory), 4 GB memory, Intel® HD graphics 4400, Dolby Home Theater® v4, 300° stand mode, 39.6 cm/15.6" multitouch HD display

Long description

The MEDION AKOYA S6211T will turn your head
Enjoy even greater flexibility with the new MEDION® AKOYA® S6211T touch notebook. Whether upright as a notebook or set up as a screen – the multitouch display can be rotated by up to 300° and reacts to the touch of your fingers.

The classic notebook position is ideal for creating texts, presentations or e-mails. The stand position is ideal for viewing videos, photos or presentations in front of a group or simply for working closer to the screen. The 300° swivel hinge and the touch-sensitive screen make it possible.

You can swipe, flip pages, type and zoom on the 39.6 cm/15.6" multitouch display. The HD resolution of 1,366 x 768 pixels is simply perfect for watching films, photos, etc. and can easily tempt you into spending much more time with your notebook than you planned. The Dolby Home Theater® v4-certified speakers deliver top-class sound.

The slimline casing contains everything you need to have fun: the MEDION® AKOYA® S6211T is powered by a high-performance and extremely low-energy Intel® Core™ i3 fourth-generation processor. 4 GB memory and a 500 GB hybrid hard drive incl. cache (8 GB flash memory) are built in. The integrated multistandard DVD/CD burner can easily

MEDION AKOYA S6211T Laptop (MD98453)

be swapped for a second hard drive to increase the storage capacity or an additional battery module to extend the battery life. You can surf the Internet wirelessly thanks to WLAN. The HD webcam and microphone are ideal for chats and video conferences.

The MEDION® AKOYA® S6211T offers all users maximum freedom and has the right solution for every need.

Windows 8

Beautiful, fast, fluid

Windows 8 has been redeveloped to be all about you. Put what matters most right on your Start screen, and get instant access to your people, apps, sites and more, so you can spend less time searching and more time doing.

Intel® Core™ i3-4010U fourth-generation processor

(1.7 GHz, 3 MB Intel® Smart Cache, Intel® Hyper-Threading Technology)

Excellent performance and brilliant display.

Treat yourself to a brilliant and perfectly harmonised notebook experience. The Intel® Core™ i3 fourth-generation processor impresses with its improved battery life and integrated security functions that provide even greater protection.

39.6 cm/15.6" multitouch widescreen LED backlight display

with an HD resolution of 1,366 x 768 pixels

Experience greater interaction: optimised for the touchscreen operation of Windows 8.

Hybrid drive solution

500 GB hybrid hard drive incl. cache (8 GB flash memory)

Extremely fast, stable and plenty of space – the perfect combination for saving your files

Stand mode thanks to 300° hinge

Ideal additional mode for making the most of touch functions and Windows 8 benefits.

Living sound – high-definition audio with 2 loudspeakers,

Dolby® Home Theater® v4-certified*

Dolby® Home Theater® combines a number of technologies that have been developed to provide an impressive sound experience using any number of speakers or headphones. A new, more realistic way to experience films, music and games.

MEDION® Clickpad

Larger work surface with proven multitouch functions for a more user-friendly experience with fewer clicks
