

ALIENWARE™

ALIENWARE ORION BACKPACK

Opens flat for easy scanning at airport checkpoints

Mutiple, spacious interior sections for all your gear

Detailed Alienware details and styling

Model#: ME-AWBP2.0 SRP: \$99.99

The Alienware Orion backpack keeps your gear secure and protected on the go. The ubber cool design and heavily-padded back panels are ideal, while the subdivided main compartment easily holds up to a large 17.3" laptop. A secondary compartment contains 10 other pockets to hold anything from pens to CDs to plane tickets to MP3 players.

The ScanFast™ Collection is designed to speed you through airport security checkpoints quickly. You no longer need to remove your laptop from your case. The ScanFast Collection has been tested and exceeds the Transportation Security Administration (TSA) guidelines for Checkpoint Friendly Carry-on luggage.

Features

- Fits widescreen laptops up to 17.3"
- Checkpoint Friendly Laptop Bag, TSA compliant. Leave your laptop in the bag when passing through airport security checkpoints.
- Loads of interior pockets to carry your gear
- Wireless Security Shield™ protects your cell phone from hackers
- Ergonomic backing and shoulder straps for maximum comfort
- Lifetime Warranty
