

Accuratus Image - Combo (USB & PS/2) Black 800dpi Optical Mouse with Illuminated Scroller

Model No. MOU-IMAGE-BLKHY

About

Image is all important in the mouse business, just as feel and accuracy play a major part. The IMAGE mouse blends subtle colours, style and precision into a mouse you can use on a daily basis.

The IMAGE mouse is perfect for both left or right handed people. It has a low profile one piece button assembly, giving the product an almost perfect balance.
