### Overview

#### Models

HP L7014t 14-in Retail Touch Monitor

T6N32AA

---

#### Introduction

Complete your retail solution with the HP L7014t Touch Monitor, an eye-catching, edge-to-edge widescreen display that gives customers and associates easily readable transaction data. Interactive touch allows customers to enter loyalty information and associates to work with touch-enabled apps.

---

#### Key Benefits

- Wide aspect for a wide range of apps: 14-inch diagonal, 16:9 aspect ratio, high-resolution display
  - Easy interactivity with Integrated projective capacitive touch technology that supports 10-point and Beep-on-touch
  - Durability for high-traffic areas with a VESA mount<sup>1</sup> that enables use as a customer-facing display or as a standalone display on a stand or wall.
- 

#### Compatibility

The HP L7014t 14-in Retail Touch Monitor is recommended to work with HP RP9, HP RP5, HP RP5800 systems, HP Desktop Mini, and HP Desktops.

**NOTE:** Not all HP Retail system models are available in all regions.

---

#### Service and Support

Your HP Peripheral Limited Warranty is a three (3) year advanced exchange parts replacement warranty.

---
