Consumables Information: For the protection of your fax, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Simply Unique - 3 Year Warranty

Our devices are manufactured to the highest standards of quality and technology, which has been confirmed independent tests. We are so convinced of the high quality of our products that we are offering you an extension of the standard warranty period to 3 years – for free! Simply register your product within 30 days of purchase to be eligible for our unique all inclusive offer. Fully covered by OKI! For further information please visit: WWW.OKI.BE/VOTREGARANTIE WWW.OKI.BE/GARANTIE

High quality, easy to use business fax, ideal for the small office

The easy to use OKIFAX 170 is a professional fax device, for the individual or small office. This dedicated fax system will suit any office environment that demands high performance faxing with an occasional need for copying. The OKIFAX 170 is fast, reliable, easy to operate and economical to run – making it perfect for your business.

Professional faxing

- Provides a fast, economical approach to faxing, thanks to the 33.6 Kbps Super G3 mode
- 30-sheet automatic document feeder simplifies the transmission of large, multi-page documents
- 2MB Flash memory ensures, in the event the device is out of paper or toner, incoming fax transmissions of up to 200 pages will be stored
- Integrated telephone handset as standard
- Five pre-defined fax templates available for your convenience
- Store up to 250 contacts for fast and easy use

Everything made simple for the user

- The single cartridge system combines toner and drum for easy consumables replacement
- Intuitive, easy to use operator panel with 2 x 16 character LCD display gives clear on-screen guidance
- Alpha and numeric interface makes dialing and searching for contacts quick and easy
- 250-page paper tray ensures less user intervention

Added value functionality for extra versatility

- 600dpi print resolution for professional high quality output
- High performance 20ppm print speed delivers incoming faxes fast

One of the fastest fax devices in its class

- Compact, professional design with zero standby noise and quiet operation, for seamless integration into any small office
- Delivers outstanding performance and exceptional reliability
- Provides total professional support for business fax needs
