

Improve mobility, maximize productivity and ensure security

Galaxy Tab® A

Powerful business tools to improve productivity

Empower your team to work from anywhere. The Samsung Galaxy Tab® A is a powerful business tool designed to improve productivity throughout the mobile enterprise. Productivity is improved with the preloaded Microsoft Office suite, which allows workers to create and work as if they were still on desktop or laptop PCs. The Galaxy Tab A LTE model enables productivity anytime, anywhere with a connection to T-Mobile's 3G network. And Samsung Knox™ enterprise-grade security protects sensitive data.

Key features

Facilitate mobility anywhere

The thin, lightweight design of the Galaxy Tab® A allows employees to work anywhere, and enables better productivity, collaboration and communication. The LTE model enables connectivity to T-Mobile's 3G network, so employees are in touch no matter where they are. With up to 15* hours of battery life, they can be productive all day. Add optional keyboards and a case with stand for one powerful productivity solution.

Microsoft® Office® for Android™ apps pre-loaded for productivity enhancement

Optimized for Android™, Microsoft® Office® for Android™ apps come pre-loaded on the Galaxy Tab A® to improve productivity. Use Word, Excel and PowerPoint to conveniently view, create and edit documents, spreadsheets and presentations, and easily switch between PC and tablet to open and update them from anywhere with Microsoft® OneDrive® cloud storage.

Powerful performance

A 1.2 GHz quad core processor provides powerful performance, and Android™ Lollipop 5.0 provides enhanced business features such as battery-saving capabilities, device-sharing safeguards and automatic encryption. Connectivity includes Dual Band Wi-Fi®, Wi-Fi Direct® and Bluetooth 4.0.

Samsung Knox™ enterprise-grade security

Samsung Knox™ provides multi-layered device protection and separation of corporate and personal data, and complements and improves existing MDM infrastructure without adding complexity.** Knox customization allows us to tailor deployments for specific business needs.***

*Tab A 9.7" (15 hours), Tab A 8" (13 hours).

**Knox premium requires license fee.

***Knox customization requires license fee.
