

## MagPro™ 23.0" (16:9) Monitor Privacy Screen with Magnetic Strip

Privacy begins on screen.

K58355WW

### Product Description

The patented MagPro™ 23.0" (16:9) Monitor Privacy Screen with Magnetic Strip can be attached and removed quickly and easily, offering best-in-class privacy protection. An excellent solution for slim bezel or edge-to-edge displays. Screen protects monitor from scratches and damage, while providing privacy by limiting viewing angle to +/- 30°. Reduces harmful blue light by up to 22%, diminishes glare, and improves clarity. Reversible for matte or glossy viewing options. Includes anti-bacterial cleaning cloth and protective case to help prevent scratches when not in use. TAA-compliant.

### Features

- Patented design includes a slim magnetic strip, allowing for quick and easy attachment and removal of privacy screen.
- Allows for unobstructed viewing, making it an excellent solution for slim bezel or edge-to-edge displays.
- Limited viewing angle narrows the field of vision to +/- 30 degrees, helping keep the information on your screen private and reducing the chances of a visual data breach.
- Blue light reduction filters out harmful rays by up to 22%, easing eye strain and reducing the chances of interrupting sleep patterns. Low reflective coating reduces glare for improved clarity.
- With reversible viewing options, one side has a matte finish to maximize glare reduction and reduce traces of fingerprints. The other side is glossy and provides a clearer view of the monitor.
- The MagPro™ 23.0" (16:9) Monitor Privacy Screen with Magnetic Strip is TAA-compliant, supporting federal government purchasing protocols.
