

Quick Reference Guide

How can we help you?

Get to know your product:

- Access user manuals, tips and more at samsung.com/us/support

Ask the community:

- Ask questions and get solutions from Samsung customers, at us.community.samsung.com

Contact us for support:

- For hardware or software support, visit samsung.com/us/support/contact or call us at 1.800.SAMSUNG.
- Find a service location near you, at samsung.com/us/support/service/locations

Set up your device

Remove SIM/microSD tray
Use the tool to open the SIM/microSD™ card tray.

Insert SIM/microSD card
Slide the SIM card and the optional microSD card (microSD card sold separately) into the tray with the gold contacts facing down.

Charge your device
Before turning on your device, charge it.

Activating your tablet
Activate your tablet to use the Internet on Verizon's 4G LTE network.
Turn on your tablet. Then follow the on-screen instructions in the Setup Wizard.

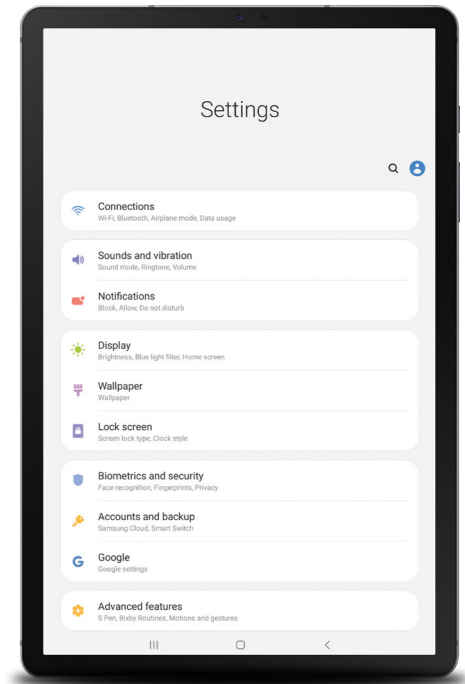

Subject to specific terms of use. For coverage details, visit verizonwireless.com/CoverageLocator.

Customize your device

Customize, connect or turn on options to personalize your device:

- Wallpaper** Change the look of the Home and Lock screens.
- Accounts and backup** Tap Users to add additional users for the device.
- Biometrics and security** Set biometric security options.
- Connections** Connect to Wi-Fi network, Bluetooth device and other connection options.
- Lock screen** Select a screen lock type and set security options.
- Display** Customize the Home screen and display brightness.
- Sounds and vibration** Set device volume and sounds.

Search

From the home screen swipe up, and search for anything on the device. For example enter an app or settings name.

Bixby

Set reminders, see upcoming appointments, photos, tomorrow's weather and more. From the home screen, swipe right to launch Bixby and follow the prompts to complete setup.

Keyboard sold separately

Visit samsung.com/us/support/owners/app/Bixby for more information.

S Pen

The S Pen™ enables fast, and precise input while providing a natural writing experience. Write and draw directly into emails or the calendar, as well as Word, Excel, PowerPoint, and PDF documents.

S Pen button

Press and hold the S Pen button to open an app remotely.

A single or double press can open an app, capture a photo, navigate, scroll and more.

Remove the S Pen, and tap **Settings** > **Air actions** to set the S Pen remote features.

Air Command

To launch Air Command, press the S Pen button and then tap .

- **Create note** Create short notes.
- **View all notes** Displays notes.
- **Smart select** Instantly outline and crop anything on the screen and freely edit or share with others.
- **Screen write** Capture a screen image and write or draw on it.
- **Live messages** Create a short animated message.
- **AR Doodle** Draw and write on photos.
- **Translate** Hover the S Pen over a word to view its definition and pronunciation.
- **Penup** Draw, color, edit, and share live drawings.
- **Add shortcuts** Select an app or function to open.
