

Epson L355

DATASHEET

The Epson L355 is a wireless all-in-one with integrated ink system, ideal for home offices and small offices. This printer, scanner and copier features Wi-Fi connectivity and two extra bottles of black ink.⁵

Featuring Micro Piezo printhead technology and Epson genuine ink, with the L355 you can easily print Epson-quality documents at an ultra-low cost.

The purpose-built ink tank is fully integrated into the printer, so you can enjoy reliable colour printing without the mess or hassle often associated with non-genuine refills and third-party ink tank systems.

The L355 is easy to set-up and use: simply fill with the ink supplied, turn the printer on and prime the ink system. Now the L355 is ready to print. The Epson's ink bottles make it easy to refill the ink tank with their clear labelling and drip-free nozzle.

The L355 offers a low-cost per page for both black and colour printing, with each set of high-volume ink bottles capable of printing up to 4,000 pages in black and 6,500 pages in colour*¹.

Fast print speeds of 9ppm*² can boost office productivity, while the new multi-copy function allows you to copy one page up to 20 times in a single go, making it ideal for quickly creating documents for meetings. In addition, Epson iPrint*³ allows you to print wirelessly from smartphones and tablet PCs within the office.

The L355 has a 12 percent smaller footprint than previous models*⁴, and easily complements any work environment. In addition, the L355's 12 month (or 30,000 page) warranty, and service support, provides peace of mind and help if you need it.

KEY FEATURES

- **Multifunctional**
Print, scan, copy and Wi-Fi
- **Epson quality**
Purpose-built, refillable ink tank
- **Value for money**
Ultra-low cost per page
- **Compact design**
12% smaller than previous models
- **Print for longer**
Two extra black ink bottles*⁵

PRODUCT SPECIFICATIONS
