# Epson **AcuLaser MX20DN series**

Get everything your business needs with the Epson AcuLaser MX20DN series, which incorporates double-sided printing, scanning and copying in one compact device.

Fully customisable, the AcuLaser MX20DN series offers high performance as standard plus a choice of options including fax, expandable RAM and up to two additional paper trays.

The series prints at 28 pages per minute, so there's no waiting around for large print jobs. And there's no compromise on quality with a professional print resolution of 1200 x 1200dpi.

Your cost per page is optimised with a choice of standard and high-capacity toner cartridges. Epson's toner cartridge return programme and the series' ENERGY STAR® qualified power efficiency further reduce your bills and minimise environmental impact.

Effortlessly integrating into your IT environment, the AcuLaser MX20DN series comes with network connectivity built-in, USB Host and Event Manager support for advanced scan-to-jobs functions.
