

The hub of the office. The heart of creative printing

The C9650 is the perfect addition to any business. This high performance, cost-effective A3 colour printer has the speed, volume and flexibility to handle all the day's demands with ease – be it general office printing or creative graphics work.

With this outstanding versatility comes the utmost reliability. Designed by OKI Printing Solutions, the leaders in business printing, the C9650 incorporates technology that ensures smooth, trouble free working.

Handles multiple media. Meets the day's demands.

- Offers outstanding media handling - 64 to 300gsm and A6 to A3+
- Broad capability enables creative in-house printing solutions whether for banners, booklets or business cards
- High capacity trays help to maintain workflow and minimise user involvement. Maximum 2880 sheet capacity from up to six trays making it perfect for printing large quantities in one go or setting up different media types.

- Duplex models for full-speed double-sided printing to save time, paper and operator involvement
- Finishing flexibility with saddle-stitch, fold, staple and hole-punch to give documents that professional touch

Exceptional colour. High performance printing.

- Excellent print speed of 36ppm colour/40ppm mono maximises productivity
- Graphic Pro colour management provides the tools to download colour profiles to the hard disk for specific highly accurate colour matching
- ProQ2400 Multi-level technology and microfine High Definition Toner together provide a better level of detail, greater colour depth, reduced grain and a high gloss feel

Protect the data. Control the colour.

- Print Control imposes rules on how the printer is used
- Data Encryption prevents unauthorised reading of confidential data
- Password Protection allows users to retrieve confidential documents using a pin number

- Secure Erase can safely wipe all details of a job from the hard disk

So simple to set up. So easy to refill.

- Informative graphical display panel simplifies every operation
- User installable consumables are easy and quick to change, thereby maintaining productivity
- Template Manager, supplied free in the box, enables the creation of professional looking documents in house

Designed to handle the workload. Built to keep working.

- Robust, award winning, LED single-pass print technology outperforms laser
- Fewer moving parts means a more reliable machine
- Keeps the work flowing - smoothly handling a wide range of media
- Unique Auto Media Detect feature automatically detects different media settings, saving the user from manually resetting the printer when changing paper types

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.
