TAA-COMPLIANT SOLUTIONS FROM BROTHER

Secure Document Management Solutions that Meet Federal Regulations

Built for the tough demands of the federal government, Brother now offers robust and reliable business class printers that are certified to comply with the Trade Agreements Act (TAA). These Brother Workhorse TAA-compliant devices are equipped with a number of advanced security features that help keep information safe and secure, while also maintaining compliance and streamlining document management.

Why Brother TAA-Compliant Solutions?

From providing secure solutions to lowering operating costs, Brother understands your agency's unique needs. Our TAA-compliant devices are ideal for mid- to large-sized workgroups with demanding print volumes looking for a low total cost of ownership, reliability and enhanced productivity and security features.

BROTHER WORKHORSE SERIES

TRIPLE LAYER SECURITY
Help safeguard sensitive documents and securely connect to the device and your network.

BUSINESS DURABLE DESIGN
Reliable business performance to handle high print and scan volumes.

LOW TOTAL COST OF OWNERSHIP
Includes Brother Genuine super high-yield cartridge; ultra high-yield replacement cartridge for even lower cost printing.

PRODUCTIVITY
Designed for demanding printing environments, with advanced connectivity options for today's workgroup demands.
