- Large panorama viewing angle (180° horizontal & 90° vertical)
- HD video resolution 1280 x 720 with 12fps
- Brilliant 1/4" CMOS colour sensor (1 MP)
- Motion detection up to ~10m with automatically recording
- 4x IR LED up to ~10m for optimal night vision
- Rapid installation, only via Android & iOS APP
- Free "Security Premium" APP for worldwide access [available on Google Play & APP Store]
- Alarm function (push message) on your Smartphone & Tablet PC
- Built-in microphone & speaker for 2-way communication
- Tilting base mount (~170°) also suitable for installation on walls or ceilings
- Supports MicroSD(HX/XC) cards up to 128GB
- H.264 video compression (for space-saving recordings of high quality)
- Supports 2.4GHz wireless network (WiFi / IEEE 802.11/b/g/n)

Technical specifications camera:

- Minimum illumination: 0.1 Lux @ (F2.0, AGC ON), 0.01 Lux with 4x IR LED
- Viewing angle: 180° horizontal, 90° vertical
- Lens / Shutter: f=1.44mm / 1/50(1/60)s ~1/100000s
- Signal system PAL/NTSC

Technical specifications network:

- Network Interface: 2.4GHz WiFi
- Radiated output power max. 100mW
- WiFi: IEEE802.11b/g/n
- Protocol: TCP/IP, HTTP, ICMP, UDP, ARP, IGMP, DHCP, NTP
- Reset button, Password protection

Technical specifications in general:

- Power supply: DC 5V±10% 1A
- Power consumption 5W maximum
- File size: 4MB/min (32GB = 5.5 days continuous recording)
- Operating conditions: 0°C~+50°C, humidity 95% or less
- Weight / Dimensions: 150g / (H) 12 x (Ø top) 4.5 x (Ø bottom) 7.6cm

APP "Security Premium":

iOS 8.0 or above; Android 4.4 or above / EN, DE (07-2018)

Package Contents:

IP-Security Camera 180° TX-108, 1x USB power adapter 5V/1A, 1x USB-to-Micro-USB power cable, 2x Screws & Dowels, 1x CD, User Manual (english & german)

Artikel-Nr. 4769
