

LiftOff™ Portable Laptop Cooling Stand

K60149EU

Product Description

Keep your laptop running cooler and longer. The LiftOff™ Portable Laptop Cooling Stand lifts your computer off the desktop to promote airflow and reduce heat buildup, which improves the performance and life of the battery. Adjustable tilt and height settings allow you to put the screen where you want it, reducing neck and eye strain. The lightweight, collapsible stand has a built-in handle and fits into laptop carrying cases for up to 17" devices for fold-and-go portability. A non-skid base holds your laptop safely in place.
