

Windfall® Console for iPad Pro™ 12.9*

Turn a Tablet into a Stylish Interactive Kiosk

K67964US

Product Description

Get more facetime with your customers with the WindFall Tablet Console. This enclosure secures your tablet at an ergonomic angle for comfortable viewing and on-screen typing. The design also neatly stores power cords, USB hubs and other cables so they're out of sight to reduce countertop clutter.

Features

- Low profile blends beautifully with a wide variety of retail and hospitality environments
- Features Kensington Security Slot™ so you can attach a ClickSafe® cable lock and tether to a fixed structure (lock sold separately)
- Heavy steel construction and tamper-resistant screws provide an additional layer of theft protection
- Credit card reader inserts low and parallel to the checkout counter, offering equal access to you and your customers
- Made in the USA
- Additional colors available
- TAA Compliant
