Epson **AcuLaser M4000DN**

High-speed, low-cost A4 monochrome laser for medium and large workgroups - High volume, low cost printing, producing first-rate results at a 43 pages per minute with the first page printed in 8 seconds. Complete with standard networking, this versatile printer meets the broad range of printing requirements for the office. With a large LCD screen, access to functions is both clear and simple.

Transform and increase your business output with this high-end, hard-working network A4 mono laser. - The clarity of the 1200 dpi resolution guarantees a consistent, speedy result every time. The combination of high-yield toners and a unit that fulfils a high-level paper output means that it works better for longer. Designed to enhance and improve your business efficiency, models and options include; duplex, additional paper cassettes, stacker, extra memory plus advanced solutions.

Custom-built for high duty use - High-yield toners and standard 700 sheet paper capacity expandable to 1,800 sheets ensure dependability, reliablility and peace of mind.

Great results and superb value every time - Combine high-performance mono printing with a low-cost per page plus unbeatable discounts available on returned toners

Supports standard printer languages - Integrates easily into your existing IT environment with genuine Adobe® PostScript 3™ and PCL as standard

Return Cartridges for a lower cost per page - AcuLaser M4000 series Return toner cartridges provide customers with a lower priced toner cartridge on the agreement that the empty cartridge will be returned via Epson's free toner return program. The Return and Recycle programme is part of Epson's global environmental actions and specifically the (toner) cartridge collection and the recycling scheme.

TONER CARTRIDGE COLLECTION PROGRAM

This free service helps us to collect and recycle used Epson toner cartridges in a safe and environmentally-friendly way.

There are three easy ways to dispose of your empty cartridges and take an action role in reducing waste:

- Put them in a toner cartridge collection box which will be picked up once full
- Return them free of charge by Post
- Drop them off at an Epson Express Center. Please visit www.epson.com/recycle for more details about the program.
