Designed to go.
Powered to perform.

Windows®. Life without Walls™. SAMSUNG recommends Windows 7.

Whoever said “practical” had to be “boring”? Just one look at the Samsung NF210 netbook’s ultra-stylish streamline design, with its naturally fluid contours, rounded edges and sophisticated ivory finish, will prove otherwise. Because hidden inside is a powerhouse of practical technology, like the new Intel® Atom™ N550 (Dual Core) processor, latest DDR3 memory and Windows 7, to help you stay connected and get more done on the move. It also boasts an impressive “go anywhere” multimedia capability with an anti-reflective LED display and enhanced surround sound system. Which is just as well, as its outstanding 10.7 hours** of battery life means you really can squeeze more into your day – and do it all in real style.

Why Samsung PC?

A TRUSTED BRAND

Through a dedication to quality, performance, technology, design and service, Samsung has risen to become one of the fastest growing PC vendors in the world. This has helped Samsung become the largest electronics company in the world.

BETTER PERFORMANCE & BETTER TECHNOLOGY

Samsung PC products are continually celebrated by the world’s media for outstanding performance – including “Product of the Year 2009” awards from Wired (US), Mikro PC (Finland), and PC World (China & Poland).

UNRIVALLED PRODUCT QUALITY

We manufacture the vast majority of our laptop components, so we can be certain they are world class. Our vigorous quality assurance program and ISO standard manufacturing process, also ensure that only the best products make it through to the customer.

DESIGNED TO TURN HEADS

Through worldwide design centers and partnerships with product designers, we have created laptops with style that have won prestigious design awards such as the iF and IDEA Design awards and the Good Design 2009 “Gold Award”.

WORRY-FREE SERVICE

We’re committed to providing the best, most timely customer service in the industry and proud to be recognized as the leader in customer service satisfaction (ranked #1 for customer satisfaction in the notebook PC category by C’T Magazine Germany in May2010).

Windows®. Life without Walls™. SAMSUNG recommends Windows 7.

Effortless mobility

Combining a long battery life with an ultra portable, stylish design makes the NF210 ready for anytime, anywhere ultra mobile computing.

Slimline fluid shape

A unique fluid design, with a stylish ivory finish, lets you express who you are and enjoy a fashionable and trendy lifestyle. Its slim (25.3~30.9mm) and streamline casing, with fluid contours and a smooth bottom, also makes it extremely easy to carry wherever you go.

Powerful performance

The new Intel® Atom™ N550 (Dual Core) processor* delivers significantly enhanced mobile performance and increased system responsiveness, and also increases energy efficiency to extend battery life.

Long battery life

Delivers perfect mobility and freedom with its power-efficient performance and an extensive battery life of up to 10.7 hours** (6600mAh battery). There's also a "battery life extender mode" so the battery lasts longer and an "express charging mode" for shorter charging times.

Powerful system memory

Includes DDR3 667MHz memory, which significantly reduces power consumption and can transfer data much faster for greater picture quality and smoother video playback.

Enhanced usability

The NF210 includes a range of advanced tools and features to help you stay in touch and get things done fast.

Fast start

Don't waste time waiting to boot up – when in sleep mode you can get started within seconds of opening the display or pressing the power button. In this mode your content is always safe and ready to go, even if power is suddenly lost.

Extensive wireless connectivity

Advanced communications technologies, including 802.11bgn* wireless provide high speed access to the Internet and your data anytime and anywhere.

Bluetooth 3.0 High Speed*

Wirelessly access the Internet and transfer music, pictures, films or any other data between devices at an ultra high speed 24 Mbps (8x faster than Bluetooth 2.1) with enhanced power control for more battery life.

Outstanding multimedia

The NF210 is designed to enhance your life on the move with its ultra-sharp LED screen and comprehensive multimedia sharing capability.

10.1" anti-reflective LED display

Enjoy movies and images that are clear and picture perfect even in bright light. And it also ensures lower power consumption for optimum mobility.

Realistic 3D SRS Premium Sound

SRS Premium Sound™ delivers more natural and realistic 3D sound for music, movies and games. It provides enhanced bass, crystal clear dialog and better definition control for maximum clarity at high frequency.

Easy multimedia content sharing

Easy Content Share software, based on AllShare™ technology, makes it easy to play multimedia content, including video, photos and music, in multiple Samsung devices.

Peace of mind

The NF210 is the ideal choice if you like to play things safe, as it is designed to protect you and your data from the risks of everyday life.

Simple data back up

Samsung Recovery Solution automatically and regularly backs up your data to the hard drive (or users can also back up to an external hard drive), so it can easily be restored, giving you the peace of mind that you're always protected.

International warranty service

Samsung's award-winning warranty service*** provides a fast track collection repair and return service in order to minimize disruption and get you going again as quickly as possible.
