

# Unlock greater opportunities.

Unlock true mobility and empower productivity through untethered freedom, security and an optimal user experience.

Work without barriers and discover more opportunities with the Samsung Galaxy S7. Designed to give you the flexibility you need to make the best decisions for your business, Unlocked by Samsung smartphones allow you to choose the carrier that works best for you. The 5.1" screen and Quad HD Super AMOLED display deliver sharp definition for every business app, while Samsung Knox technology offers enterprise-grade security for all your mobile business data.

### Unlock Freedom

Carrier or no carrier. It's your choice. With Unlocked by Samsung smartphones, you have the freedom to choose what works best for your employees.<sup>1</sup> You can also standardize on one device across multiple carriers, greatly simplifying IT. And no-contract Unlocked by Samsung smartphones can be customized for a company's Wi-Fi only environment where no carrier is necessary, combining the functionality of a tablet with the portability of a hand-held device.

### Unlock the Mobile Device Experience

Unlocked by Samsung smartphones don't come pre-loaded with any carrier apps, so you have a consistent UI, and you can customize device software exactly the way you need it. And Unlocked by Samsung smartphones are optimized for U.S. carrier networks,<sup>1</sup> with access to exclusive Samsung services like Knox and Samsung+ personal support.<sup>2</sup> Nothing will hold you back.

### Unlock Value

When everyone has the same UI, you have lower training, support and connectivity costs. You have the right contract with the carrier of your choice, or even have no carrier at all. Software updates are easily managed, and you can configure devices in bulk. And your unlocked devices are CapEx assets. With Unlocked by Samsung smartphones, you save from start to finish.

### Unlock Defense-Grade Security

The Samsung Knox security platform<sup>3</sup> is embedded within the hardware to ensure security from the chip up, right out of the box. Trusted by 29 governments and voted "most strong" by Gartner<sup>4</sup>, Knox features separate work and personal container solutions that guarantee user privacy while encrypting sensitive corporate data, so you can keep what's yours, yours.<sup>5</sup> And monthly updates keep your Unlocked by Samsung smartphones up to date with the latest security patches.

### Premium Design and Display

The Galaxy S7 features a large 5.1" screen in an incredibly slim design that fits comfortably in the palm of your hand, offering easy, one-handed operation. The Quad HD Super AMOLED display gives incredible detail, making business apps clearer and easier to use.

### Maximum Productivity

Empower employees to stay connected with an all-day battery<sup>6</sup> that offers adaptive fast charging<sup>7</sup> and wireless charging.<sup>8</sup> Expandable storage up to 256GB<sup>9</sup> gives mobile workers the agility to pack more projects to go, and IP68 water resistance<sup>10</sup> keeps them up and running in all environments and weather conditions. And the latest version of Knox Workspace<sup>3</sup> supports Google Play for Work inside the container, Multi Window<sup>11</sup> support, speech-to-text, and even more robust IT controls.

<sup>1</sup>Devices will work on any compatible network. Wireless voice, data and messaging services are compatible with most GSM networks such as AT&T and T-Mobile and CDMA networks such as Verizon, Sprint and US Cellular. Support for certain rate plans, features and services such as VoWiFi and hotspot vary by wireless service provider. See provider for details. <sup>2</sup>These features and more may not be supported by non-U.S. Samsung unlocked devices. Non-U.S. refers to Samsung-branded devices intended for use in other countries and not imported or sold by Samsung Electronics America, Inc. <sup>3</sup>Full Samsung Knox suite available for additional licensing fee. <sup>4</sup>Hevesi, P. "Mobile Device Security: A Comparison of Platforms." Gartner, Inc. <https://www.gartner.com/doc/3276422/mobile-device-security-comparison-platforms>. <sup>5</sup>Knox container solutions may come with an additional licensing fee. <sup>6</sup>Based on laboratory testing. Battery power consumption depends on factors such as network configuration; carrier; signal strength; operating temperature; features selected; vibrate mode; backlight settings; browser use; frequency of calls; and voice, data and other application-usage patterns. The maximum capacity of the battery will decrease with time and use. <sup>7</sup>Adaptive Fast Charging requires an AFC-compatible charger to work. <sup>8</sup>Wireless charging-compatible back included with device. Wireless charging pad sold separately. <sup>9</sup>Embedded microSD card slot supports microSD cards up to 256GB (sold separately). <sup>10</sup>Water-resistant and dustproof based on IP68 rating, which tests submersion in clear water up to 1.5 meters for up to 30 minutes. <sup>11</sup>Multi Window does not support all apps. <sup>12</sup>Portion of memory occupied by existing content. Total amount of available memory may be less based on configuration.
