

# HP EliteBook x360 1040 G5

## Ultimate flexibility meets powerful productivity

### Powerful performance

- 8th generation Intel® Core™ i5 and i7 processors<sup>1</sup>
- Up to 2TB DDR4 memory<sup>2</sup>

### Sharp new form factor

- 4 modes for how you work
- Available in both FHD and UHD IPS displays
- Optional HP Rechargeable Active Pen

### Designed for the mobile worker

- Optional 4G LTE support<sup>3</sup>
- Up to 17 hours of battery life<sup>4</sup>
- HP Fast Charge

### Built for collaboration

- Up to 700-nit ultra bright display
- Optional HP Anti-Glare Touch Display for outdoor viewability
- HP Premium Collaboration Keyboard
- HP PhoneWise<sup>5</sup>
- FHD webcam

### Security

- HP Sure View Gen2<sup>6</sup>
- HP Sure Run<sup>7</sup>
- HP Sure Recover with Embedded Reimaging<sup>8</sup>
- HP Sure Click<sup>9</sup>

### Crystal-clear audio

- Audio by Bang & Olufsen
- 3 microphones
- (2 front facing, 1 world facing)
- HP Noise Cancellation software

### Durability and reliability

- Designed to pass MIL-STD-810G testing<sup>10</sup>
- CNC aluminum surfaces<sup>11</sup>

### Dimensions

- 12.65" x 8.46" x 0.67" (321.4 x 215 x 16.9mm)
- 2.99 lbs (1.357kg)

### Ports

- 2 USB-C™ Thunderbolt
- 2 USB 3.1
- 1 HDMI
- 1 micro SIM slot
- 1 headphone/mic combo

1. Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming are not measurements of higher performance. 2. For storage drives, 1GB = 1 billion bytes. 1TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software. 3. Gigabit class 4G LTE module is optional and must be configured at the factory. Backwards compatible to HSPA 3G technologies. Module designed for up to 1Gbps download speeds as carriers deploy five-carrier aggregation and 100MHz channel bandwidth, requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Connection, upload, and download speeds will vary due to network, location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions. 4. Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See [bapco.com](http://bapco.com) for additional details. 5. HP PhoneWise Client may not be available with HP WorkWise. For supported platforms and HP PhoneWise system requirements see [hp.com/HPPhoneWise](http://hp.com/HPPhoneWise). 6. HP Sure View integrated privacy screen is an optional feature that must be configured at purchase and functions in landscape orientation. 7. HP Sure Run is available on HP Elite products equipped with 8th generation Intel or AMD processors. 8. HP Sure Recover with Embedded Reimaging is an optional feature that must be configured at purchase and is available on select HP Elite PCs. Not available on platforms with multiple internal storage drives, Intel Optane™. You must back up important files, data, photos, videos, etc. before use to avoid loss of data. 9. HP Sure Click is available on most HP PCs and supports Microsoft Internet Explorer and Chromium™. Supported attachments include Microsoft Office (Word, Excel, PowerPoint) and PDF files in read-only mode, when Microsoft Office or Adobe Acrobat are installed. 10. MIL-STD-810G testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL-STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack. 11. CNC aluminum surfaces on the HP EliteBook x360 1040 are the outer display cover including the HP logo and the keyboard deck.
