The Adesso Cybertablet K12 is an advanced graphic tablet that offers both PC and Mac users superior cursor control, greater productivity and higher efficiency. Perfect for art, business, presentations, and projects. The Cybertablet features 8192 levels of pressure sensitivity. This high quality graphic tablet is ideal for document annotation, free hand illustrations, graphic design, whiteboard presentations, or generally more precise cursor control.

■ 12" x 7" Active Area
Enjoy the 12" x 7" drawing area that allows increased precision and detail.

■ 8192 Levels of Pressure Sensitivity
Create your masterpiece artwork using the CYBERTABLET K12's 8192 levels of pressure sensitivity which can imitate the subtleties of a brush stroke or a pencil.

■ 6 Customizable shortcut Keys
6 customizable short cut keys help you express your big ideas for convenience and efficiency. The driver allows the shortcut keys to be attuned to many different software.

■ Battery-Free Stylus
The stylus works just like a real pen, no battery and no charging required!
