Product Description:

With its stylish design and resistance to corrosion, this caster is used on several Jaco carts. With a strong glass-filled nylon body, durable MonoTech wheel, and optional easy to activate tread brake these casters will give your medical equipment or utility cart the stylish look and durability you have been searching for.

Key Selling Points:

- Sealed precision bearings in swivel and wheel provide quiet, effortless mobility
- Soft (65A), non-marking MonoTech wheels reject debris and are excellent on both carpet and hard floors
- Strong protective body conceals components for easy cleaning
- Integrated thread guards protect wheels from entangling debris

Extended Specifications:

- Dynamic Load Rating: 120 LBS
