Multimedia Microphone with noise cancelling

Perfect for video meetings

DESCRIPTION

The Ewent Multimedia Microphone with microphone sensitivity control is perfect for video meetings, vlogging and podcasting. Place the microphone in the adjustable stand with non-skid rubber feet for handsfree communication. The EW3552 is a plug and play device. No drivers and additional power supply is needed. The Ewent Multimedia Microphone is fitted with an extra-long cable and mini 3.5mm jack. Additionally, a 2 to 1 adapter cable is enclosed. With this cable you can connect the microphone to devices with only 1 audio connection.
