

Compactly Designed to Make Your Life Easier in One Touch

- From the monitor to the page with just one touch
- Big features, small footprint
- Capture what catches your eye
- One less noisy office distraction

Samsung introduces a compact monochrome laser printer with greater convenience, the ML-1670 laser printer. With its ultra compact elegant design, there's space for this little beauty anywhere. Clever built-in features like one touch printing make the ML-1670 smart, as well as easy to look at. The ML-1670's low noise level, rapid print speed, and power-save button assure maximum convenience. With the Samsung ML-1670 laser printer, sometimes the best things in life do come in the small packages.

From the monitor to the page with just one touch

The ML-1670's Print Screen button – conveniently located on the printer control panel – lets you print the contents from your screen, quickly and easily, even when you're away from your desk. Just one touch is all that it takes. With one click, there's no more extra editing or cropping of unwanted content-clutter from original webpages or documents. If a single page is what you want, it's what you'll get. One simple press of a button prints your screen, as it appears on your monitor. Hold the button for more than two seconds and the ML-1670 prints the last object that you activated on your monitor. Now you can print anything, anytime.

Big features, small footprint

Looking for bigger performance from a desktop printer? Think smaller. Measuring a ultra compact 341 x 224 x 184 mm (13.4 x 8.8 x 7.2 in), the Samsung ML-1670 has a smaller footprint and overall body size than any other laser printer on the market. It easily fits onto any size desktop while leaving plenty of room for you to get your work done. But don't let the ML-1670's ultra-compact size fool you: this is one featherweight who's ready to take on the heavyweight contenders any day.

Capture what catches your eye

Samsung's AnyWeb Print software lets you go hunting and gathering on the Web. You can utilize the ML-1670 to easily select, drag and drop content from different web pages onto a printable scrap board in your browser window, all while you

One less noisy office distraction

You shouldn't have to struggle to hear yourself think while sitting at your own desk. That's why the Samsung ML-1670 is engineered to be whisper quiet, generating a noise level of less than 49 dBA while it's printing. That's less than the gentle

surf. It's the easy way to collect, arrange and edit those useful reference points and resources you can only find on the Internet for that big project ? or just for fun.

Lessen your wait, not your expectations

Quit losing productivity waiting around for your documents to print ? the Samsung ML-1670's fast print speed (16 ppm for A4 paper, 17 ppm for letter-sized) will have you back to work in no time. The ML-1670 features a first page output time (FPOT) of just 8.5 s and an impressive 1200 x 1200 dpi print resolution, satisfying both your need for speed and your demand for quality.

hum of a running refrigerator! A desktop printer that does its work while letting you focus on yours? Cool.

A soft approach to energy efficiency

In today's green office environment, there's simply no room for energy-hogging printers. That's why the Samsung ML-1670 features an easy-to-reach power button right on the front panel, so you can switch to an energy-saving standby mode at the push of a button. Ready to print? Just push the button again to power back up, and you're ready to go.
