Kensington

Kensington® SD5000T Thunderbolt™ 3 Docking Station for data speeds up to 40 Gbps

K38232WW

Product Description

For over 35 years, Kensington has been The Professionals' Choice for desktop productivity solutions. Continuously supporting the most advanced technology, Kensington has engineered the game-changing SD5000T Thunderbolt™ 3 Docking Station. Whether you're a video editor, graphic designer, content creator, gamer, or just someone who wants to simplify a 4K workspace, you get more — more speed, more pixels, more power, and more possibilities. Accommodating a single Thunderbolt 3 cable carrying up to 40Gbps of data, which is enough bandwidth to simultaneously run two 4K monitors at 60fps, while also providing up to 85W of laptop charging, the SD5000T Thunderbolt™ 3 Docking Station is a power user's solution for hyper-productivity.

Features

- Best for: Thunderbolt 3 Apple Laptops and Monitors that support up to 4K

- Connection technology: Thunderbolt 3

- USB-C Power Delivery: Supports USB-C PD 2.0 (85W of laptop charging)
