

Kensington® WindFall® Frame for iPad Pro™ 12.9* by Heckler Design® (Build to order)

Mount a Secure Tablet Defense

K67960US

Product Description

The WindFall Frame for tablets features commercial-grade construction and tamper-resistant assembly that's perfect for retail locations and the hospitality industry. Most ports, switches and buttons remain accessible and functional with the exception of the volume and mute buttons (but they remain accessible through on-screen controls). With the WindFall Frame, it's now easy and inexpensive to install secure, interactive information or signage throughout your retail space. *Mounting arm not included

Features

- Sturdy and secure design integrates high-quality construction with tamper-resistant features
- Highly versatile mounting options allows you to place the frame and tablet in wide variety of locations in your store
- Slim profile accentuates the sleek tablet and provides a modern, distinctive look
- Made in the USA
- Additional colors available
- TAA Compliant
