

HP x2 1013 G3 Collaboration Keyboard

Collaborate and create in a breathtaking bold design

Complete your collaboration and content creation experience with the razor-thin yet full-sized HP x2 1013 G3 Collaboration Keyboard that matches the sleek aesthetic of your HP Elite x2 1013 G3.

Ultra-slim style, full-featured productivity

Power through your daily tasks, in the office, on the road, and all points in between with a backlit keyboard that has efficient thin and light scissor keys and a touchpad.

A collaboration launch pad

Connect to your calls and web conferences in moments with dedicated collaboration keys that control common video and call functions such as answer, hang up, volume, mute, and screen sharing.¹

Deter visual hacking

Use the keyboard to activate the HP Sure View Gen2² integrated privacy screen on your device. At the touch of a button, its screen appears unreadable to those around you while you see your content clearly.

Stylish, sturdy design

Help protect your device's screen when you fold in the DuraKeys-coated keyboard, which also cues sleeps mode to conserve battery life. The key coating and a sturdy aluminum deck also resist everyday wear and tear.

World-class support

Rest easy with a one-year limited warranty.

1. Internet connection and voice service required and sold separately.

2. HP Sure View Gen 2 must be configured on the connected HP Elite x2 1013 G3.
