Ultra-thin 0.7" Thickness

Extremely Light 2.53 lbs

Built in Speakers (1.5W x 2)

HD Webcam

Bluetooth 5.0

DTS™ Headphone: X

TAA Compliant

The LG gram 2-in-1 is the ultimate tool for the business traveler. It combines a tough, lightweight body with an ultra-thin form factor, excellent touch screen performance and great battery life. The spirit of "no compromise" continues with the gram's DTS™ Headphone: X technology, which transforms your headphone listening experience to simulate a 3D listening environment surrounded by high-quality speakers.

Light Weight

The LG gram 14-inch laptop offers great screen size without the weight. With gram's innovative design and construction, this laptop weighs just 2.53 pounds, so it's easy to take anywhere.

Tough & Low Profile

The sleek metal alloy body of the LG gram combines advanced nano carbon with magnesium to create a light weight yet durable housing for the computer that's still beautifully thin at 0.7" thick.

Multiple Ports Including Thunderbolt™ 3

Connect it all with gram's host of popular ports. Gram's Thunderbolt™ 3 adds faster data transfer plus smoother display of 4K/5K video, and the HDMI port lets gram connect easily to virtually all types of high-definition displays.

Long-Lasting Battery

Portability is a function of battery life in addition to size and weight, and this LG gram has been designed to keep going with up to 20.5 hours of power*, to hit deadlines and keep streaming long after others have quit.

*MobileMark® 2014 standard. Battery life will vary from specifications depending on model, setup configuration, applications used, features utilized and power management settings.

Specifications: 14T90N-R.APS7U1

MODEL	Series	LG gram 2-in-1
