### Short description

Intel® Core™ i5-3230M processor, Windows 8, NVIDIA® GeForce® GT 730M DirectX® 11 graphics, 1,000 GB hard drive, 8 GB RAM memory, Blu-ray drive, Dolby Home Theater® v4, 43.9 cm/17.3" matt full HD display

### Long description

The large-format, matt finish 43.9 cm/17.3" HD widescreen display on the MEDION® AKOYA® P7817 offers great scope for fantastic multimedia enjoyment: thanks to the full HD resolution (1920 x 1080 pixels), film fans can enjoy breathtakingly clear images and strong colours in 16:9 cinema format. The Dolby Home Theater v4-certified sound system with its two integrated loudspeakers and one subwoofer delivers a lively sound that fills the brilliant images with extra life. Windows 8 is installed as the operating system – it is faster, more reliable and simplifies your daily tasks.

The third-generation Intel® Core™ i5-3230M processor, new NVIDIA® GeForce® GT 730M DirectX® 11 graphics, huge 1,000 GB hard drive and 8 GB RAM memory form the basis for top performance.

The data turbo: thanks to cutting-edge USB 3.0 technology, you can transfer your data in seconds. The WLAN n-standard technology ensures a quick and wireless connection to the World Wide Web. Thanks to the HD webcam and integrated microphone, you are ideally equipped for Internet communication.

## MEDION AKOYA P7817 Laptop (MD98307)

### Windows 8

Beautiful, fast and fluid

Windows 8 has been redeveloped to be all about you. Put what matters most right on your Start screen and get instant access to your people, apps, sites and more, so you can spend less time searching and more time doing.

### Third-generation Intel® Core™ i5-3230M processor

(2.60 GHz, with Turbo Boost Technology 2.0 up to 3.20 GHz, 3 MB Intel® Smart Cache, Intel® Hyper-Threading Technology)

Excellent performance and brilliant images with Turbo Boost. A top-quality laptop experience with integrated graphics functions and additional performance on demand. With a visibly intelligent third-generation Intel® Core™ i5 processor with Intel® Turbo Boost Technology.

### NVIDIA® GeForce® GT 730M DirectX® 11 graphics

with 2,048 MB memory and digital HDMI® audio/video output

Thanks to intelligent NVIDIA® Optimus™ technology, the computer can switch automatically between powerful NVIDIA® graphics or the power-saving integrated graphics depending on the application being used.

### Matt 43.9 cm/17.3" widescreen LED backlight display

with a full HD resolution of 1920 x 1080 pixels

Dazzling film enjoyment in 16:9 widescreen format thanks to the crystal-clear picture and rich colour reproduction

### Blu-ray ROM drive/multi-standard DVD/CD burner\*

with DVD-RAM and dual layer support

### 1 TB (1,000 GB) S-ATA hard drive

Room for more than 200,000 music tracks or photos (at 4 MB per track/photo)

The integrated second hard drive slot allows you to more than double your storage capacity by adding a standard 6.35 cm/2.5" hard drive.

### 8 GB DDR3 SDRAM memory

With high-speed and energy-saving memory technology

### Living sound - high definition audio with 2 loudspeakers -

Dolby Home Theater® v4 certified\*\*

Dolby Home Theater® transports you right into the very middle of the events on your screen – providing a cinematic experience for home or on the move. Thanks to the powerful, modern audio technology, you can enjoy music, films or games with the lively surround-sound experience delivered by Dolby Home Theater.

### MultiTOUCHpad

With intuitive gestures for scrolling, zooming or rotating you are able to control a variety of functions simply and easily with your fingers

### MEDION® Solid Keyboard

Ergonomic keyboard with separate keys and a numeric

keypad for greater stability, as well as quick and comfortable input!
