Small and smart design,
big-business colour!

LEXMARKTM

Print Less. Save More.

Print less? This may seem like a surprising message for a company dedicated solely to printing. But when you consider that businesses spend, on average, up to 6% of their turnover on printing, and that active print management can cut office print costs by up to 30%¹, it makes a lot of sense. Lexmark products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

Colour is here to stay! Now with Lexmark's new C540 Series, small- to mid-sized workgroups can tap into the business benefits of using Lexmark laser colour. Come and experience the ultimate combination of outstanding print quality, rapid output speeds and smart productivity tools – all packed into an amazingly small printer that fits virtually anywhere.

Convenience by your side

Make a big impact on your business with a genuine desktop-friendly colour printer. With their small, attractive new design and quiet noise level, Lexmark's new colour lasers will be welcome additions to your desktop or small workgroup.

- Exceptionally tiny footprint and low profile
- As quiet as 47 dBA while printing; reduce sound even more with Quiet Mode
- Sleek, innovative desktop-friendly design
- Built-in networking on all models to share the benefits of colour

Reap the benefits of productivity

Lexmark's C540 Series gives you a rapid first-page-out and races through your print runs at blazing speeds. What's more, these printers offer you the versatility you need to keep up with your demanding office printing needs.

- First page out as fast as 12 seconds with instant warm-up fuser
- PCL 6 and PostScript 3 emulations ensure compatibility with your application software
- Duplex printing models, now available at an attractive price
- 100-sheet multipurpose feeder and 550-sheet main tray are combined in one unique Duo Drawer option

Brighten up your business and your image

Add professional colour to your documents. Lexmark gives you the tools to control colour output and puts its colour expertise to work for you, so all your brochures, reports and graphics come out vivid and accurate to the finest details.

- Vibrant print quality: true 1200 x 1200 dpi resolution
- New generation Lexmark toner for colour quality and consistency
- Consistent colour tones with professional Pantone calibration
- Colour-control tools: coverage estimator and ColorSaver™ mode
- Lexmark High Yield and Extra High Yield Toner Cartridges cut printing costs to a minimum

Eco-responsible printing

Printing responsibly means everyone wins – your business, your budget and the environment! Lexmark's C540 Series is eco-designed and comes with a vast range of features to help you print greener at every level.

- Paper-saving built-in duplex-printing models available
- Eco-Mode reduces power consumption
- Lets you print multiple pages per sheet
- Instant warm-up fuser saves energy
- Lexmark Cartridge Collection Programme for leading-edge recycling

Simplicity in a snapshot!

Easy access

Easy-to-load toner cartridges take just seconds to replace

Intuitive management

Manage configuration settings via control panel, Web interface or Lexmark network-management tools (MarkVision Professional)

PC-free printing

Print image files directly from a USB key or PictBridge-enabled camera

Simple sharing

Very easy to set up and share with built-in network printing

Lexmark C540n Series

Experience the perfect fit

Lexmark Rewards Add life to your printer

The Lexmark Rewards programme extends the life of your printer – it also reduces operating costs and helps the environment. As a member, you'll receive a free imaging kit when your printer next needs one.

We'll also send you a free Lexmark High Yield Toner Cartridge of your choice for every 10 empty Lexmark cartridges you return to us. It's our way of saying thank you for using original Lexmark cartridges with your Lexmark C540 Series colour laser.

Maximum Monthly Duty Cycle

Maximum Monthly Duty Cycle is defined as the maximum number of pages a device could deliver in a month. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.

Recommended Monthly Page Volume

Recommended Monthly Page Volume is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

License/Agreement Terms

Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details.
