

Boombox | 9 W | Bluetooth® | CD Player / FM Radio / USB / Aux | Black

General information

Take this Nedis® Portable Wireless Boombox with you wherever you want to enjoy some good music. Choose from playing your favourite radio station, latest CD, music on your smartphone via Bluetooth® or plug in any compatible device into the external audio source function. This boombox is lightweight and delivers a rich sound, thanks to the built-in stereo speakers.

Features

- Enjoy music from a variety of sources – CD-player, FM radio, USB, Bluetooth®, AUX-in
- Bluetooth version 3.0 – for wireless connectivity
- Rich, deep sound – built-in speakers with a peak power output of 9 W
- Portable with carrying handle – operates by mains or 4x 1.5 V C-type batteries (not included)
- Multi-functional display – for easy control
- FM radio with manual or automatic channel finding – 20 pre-set stations and extra-long antenna for optimal reception
