ZeFit⁴ is a stylish activity tracker with a colour touchscreen that tells the time, tracks steps, distance, calories burned and sleep quality.

With ZeFit⁴, you can access in real-time your activity and sleep results at a glance, from a simple swipe on the touchscreen. Lacking motivation to stay fit? If you have been inactive for too long, ZeFit⁴ "Inactivity Alert" encourages you to move throughout the day with a gentle vibrating reminder. When synced to a smartphone via Bluetooth, ZeFit⁴ shows notifications of calls, SMS, emails, calendar events and social media activity to keep you up-to-date with all information that matters to you. ZeFit⁴ gives you the ability to control your music and take pictures from your wrist, without having to look at your phone.

In addition, ZeFit⁴ features an Anti-lost alarm that alerts you when your paired device is too far away and a "Find my phone" function that helps you to track it down. Staying connected has never been easier.

ZeFit⁴ boasts a battery life that lasts up to five days, allowing you to wear it without worrying about charging it everyday. With its colourful, removable and changeable bands, ZeFit⁴ complements all your outfits in the most stylish way!

Compatible with both iOS and Android, ZeFit⁴ free mobile app lets you choose a watch face from a variety of designs, set daily goals and reminders, enable the notifications you want. The app helps you to keep a fitness routine, giving you the possibility to adjust your goals and check your results on a daily basis.
