

Universal Reversible USB 2.0 Hi-Speed Cable (Reversible A to Reversible Up/Down-Angle 5-Pin Micro-B M/M), 6 ft.

MODEL NUMBER: UR050R-006-USB

Description

The UR050R-006-USB Universal Reversible USB 2.0 Hi-Speed Cable takes the guesswork out of connecting. The reversible USB-A and USB Micro-B connectors plug into USB ports in either direction, making connections easier and faster. The up/down-angle Micro-B connector allows connection in hard-to-reach spaces, including a device placed flush against a wall.

Ideal for connecting smartphones, digital cameras, MP3 players and other compatible Micro-B devices to your computer, this cable handles power transfer, as well as data transfer at speeds up to 480 Mbps. The durable Micro-B connector can handle up to 10,000 mating cycles.

The UR050R-006-USB is backward compatible with earlier USB generations. Nickel-plated connectors with gold-plated copper contacts offer optimal connectivity. Double shielding with foil and braid provides maximum EMI/RFI protection and signal quality. Molded connectors and integral strain relief guarantee long life and durability. The flexible PVC jacket makes the cable easy to install in space-restricted areas.

Features

Reversible USB-A and USB Micro-B Connectors

- Attach to USB ports in either direction for instant fumble-free connection
- Ideal for connecting smartphones, digital cameras, MP3 players and other Micro-B devices to your computer

Handles Power and Data Transfers

- Supports data transfer rates up to 480 Mbps
- Durable Micro-B plug designed for 10,000 mating cycles

Up/Down-Angle Micro-B Connector

- Designed for connection in hard-to-reach places, such as a device placed against the wall
- Relieves excessive bending on the cable

Highlights

- Reversible connectors on both ends attach in either direction
- Up/down-angle Micro-B plug allows connection in confined spaces
- Supports data transfer rates up to 480 Mbps
- Maximum EMI/RFI protection and signal quality
- Backward compatible with earlier USB generations

System Requirements

- Computer with USB-A port
- Device with USB Micro-B port

Package Includes

- UR050R-006-USB Universal Reversible USB 2.0 Hi-Speed Cable (Reversible A to Reversible Up/Down-Angle 5-Pin Micro-B M/M), 6 ft.

Premium Construction for Superior Signal Transfer

- Backward compatible with earlier USB generations
- Nickel-plated connectors and gold-plated copper contacts for optimal connectivity
- Double shielding with foil and braid for EMI/RFI protection and signal quality
- Molded connectors and integral strain relief for long life and durability
- Flexible PVC jacket for easy installation in space-restricted areas

Specifications

OVERVIEW	
Cable Type	USB
INPUT	
Cable Length (ft.)	6
Cable Length (m)	1.8
PHYSICAL	
Color	Black
ENVIRONMENTAL	
Operating Temperature Range	-10 to 75° C (14 to 167° F)
Storage Temperature Range	-20 to 80° C (-4 to 176° F)
CONNECTIONS	
Connector A	REVERSIBLE USB A (MALE)
Connector B	REVERSIBLE MICRO-USB B (MALE)
SPECIAL FEATURES	
Chromebook Compatible	Yes
WARRANTY	
Product Warranty Period (Worldwide)	Lifetime limited warranty
