

EH-TW6700W

DATASHEET

Transform your home entertainment experience with our wireless Full HD 2D & 3D projector with 3LCD technology for exceptional images

Thanks to this model's WirelessHD¹ functionality, you can spend more time enjoying its bright, colourful and high contrast Full HD visuals, and less time connecting WiHD devices. The EH-TW6700W is incredibly easy to set up with a wide lens-shift range, optical zoom and vertical and horizontal keystone correction, producing well-adjusted images in seconds.

Enjoy Full HD images over WiHD

Irk some cables can be a thing of the past with this WirelessHD¹ projector. It's easy to stream content to your projector from your smartphone, tablet, games console, Blu-ray player and more - without the need for wires.

Sharp, smooth images

Using Epson's 3LCD technology for high brightness and vivid colour, this Full HD projector features high White and Colour Light Output of 3,000 lumens and 70,000:1 dynamic contrast ratio. Together this technology ensures bright, vivid colours and deep blacks. Frame interpolation and Detail Enhancement provide sharper and smoother motion pictures and great detail, for greater clarity, and the EH-TW6700W can also convert standard 2D video into 3D.

Enjoy the big-screen experience with easy set-up

Sit back and immerse yourself in the experience from the very start with our easy to install, simple to use projector that can be placed almost anywhere. With this model boasting a 1.6x optical zoom, vertical $\pm 60\%$ and horizontal $\pm 24\%$ keystone correction, superbly aligned images can be achieved effortlessly. Maintenance is also kept to a minimum with the EH-TW6700W. Thanks to the incredibly long lamp life, you can watch a movie every day on the big screen for the next seven years².

Smart control

It's easy to control and change the settings of the EH-TW6700W from any smart device with Epson's iProjection remote app.
