

HP Stream 11 Pro G5 Notebook PC

Engage your students and keep them connected to applications, curriculum, educators, and each other with the sturdy, value-priced, Windows-based HP Stream 11 Pro G5.

HP recommends Windows 10 Pro.

Tough enough for the school day ahead

Deploy this durable device with a strong 180° hinge into any school day. Just 18.0 mm thin and with a starting weight of <1.3 kg, it's designed to pass a 70 cm drop on concrete² and MIL-STD 810G³ and IP 41 testing.⁴

Reliable performance built for education

Tackle school and beyond with the latest Intel® processors and long battery life. See and collaborate clearly with an optional 11.6" diagonal touchscreen⁵, VGA webcam, and stereo sound. Connect in large spaces with integrated 2x2 WLAN⁶ and MIMO.⁷

Flexibility and manageability

Enhance student learning with HP School Pack 3.5⁸ digital content and support for Windows applications like Office 365⁹. Work in the cloud or local with up to a 128 GB SSD¹⁰ and an SD card slot. Simplify management with Intune for Education.¹¹

- Give educators the flexibility to evolve with their ecosystem with Windows 10 Pro or Windows 10 S. The OS your teachers and students know how to use also includes critical management features and application support for your IT staff.^{1,12}
- Be productive with touch and tap access to a world of online and local apps on the optional BrightView UWVA 11.6" diagonal HD touchscreen.⁵
- Empower teachers, remove digital distractions, and unlock student potential with the HP School Pack 3.5 education suite of applications and access-from-anywhere, cloud-based services.
- Give your IT staff a simple and modern way to deploy, manage, and customize your devices from the cloud with Intune for Education, part of the Microsoft 365 Education platform.¹¹
- Help protect student data with integrated TPM 2.0 and the latest Windows BitLocker drive encryption.
- Connect to your multi-generation devices and displays with HDMI, USB 2.0, USB 3.1 Gen 1, and 3.5 mm mic and speaker ports.
- Rest easy with support you can trust. Keep everything running smoothly with our world-class, one-year limited warranty. Extend your protection with an optional HP Care service.¹³

Get online and get to work, fast, with the HP 3005pr USB3 Universal Port Replicator, which delivers device, display, and network connectivity to your Windows® or Chromebook™ notebook with one USB 3.0 cable connection—no reboot required!

Product number: Y4H06AA

HP 3 year Next Business Day Onsite Hardware Support for Notebooks

When hardware issues come up, the sooner you can get running again, the better. Have expertise at the ready with HP Hardware Next Business Day Onsite Service, and vastly improve your product uptime. With high-quality remote assistance or convenient onsite support available the next business day, help is there when you need it—so you can get back to work.

Product number: UQ992E

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Drop test is pending and is not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ³ MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ⁴ IP 41 testing is pending. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ⁵ Available on select models.
- ⁶ The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.
- ⁷ Multiple-Input Multiple-Output (MIMO) is a wireless technology that uses multiple transmitters and receivers to enhance data transfer. MIMO requires a MU-MIMO router, sold separately.
- ⁸ Available on Windows 10 Pro configurations.
- ⁹ Qualifying schools may be eligible for free Office 365 Education directly from Microsoft. Please contact your Microsoft account representative for details. Not preinstalled or preloaded on the PC.
- ¹⁰ For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 29 GB is not user available.
- ¹¹ Windows 10 S is available in select regions and select configurations only. Windows 10 S works exclusively with apps from the Windows Store. Some accessories and apps compatible with Windows 10 may not work, and performance may vary. Certain default settings, features, and apps cannot be changed. Easily switch to Windows 10 Pro configuration (fee applies). Learn more at <http://www.microsoft.com/windows10s>.
- ¹² HP Care services sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com/>.
- ² Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary Update. Features vary; see <https://aka.ms/ProEducation> for Windows 10 Pro Education feature information.
- ³ Windows 10 Pro in S mode 64 works exclusively with apps from the Windows store. Some accessories and apps compatible with Windows 10 may not work, and performance may vary. Certain default settings, features, and apps cannot be changed. Easily switch to Windows 10 Pro configuration (fee applies) Learn more at Microsoft.com/Windows10S.
- ⁴ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ⁵ Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
- ⁶ NOTE: In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on <http://www.support.hp.com>.
- ⁷ Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- ⁸ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.
- ¹¹ WLAN is an optional feature. Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.
- ¹² Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.
- ¹³ HD content required to view HD images.
- ¹⁵ Sold separately or as an optional feature.
- ¹⁶ Resolutions are dependent upon monitor capability, and resolution and color depth settings.
- ¹⁷ HP Support Assistant requires Windows and Internet access.
- ¹⁹ HP Driver Packs not preinstalled, however available for download at <http://www.hp.com/go/clientmanagement>.
- ²⁰ Firmware TPM is version 2.0. Hardware TPM is v1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).
- ²¹ Lock must be purchased separately.
- ²² Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.
- ²³ Availability may vary by country.
- ²⁴ HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
- ²⁵ EPEAT® registered where applicable. EPEAT registration varies by country. See <http://www.epeat.net> for registration status by country. Search keyword generator on HP's 3rd party option store for solar generator accessories at www.hp.com/go/options.
- ²⁶ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
