

# Performance and connectivity

## Ultra-mobile and flexible for high-quality presentations on the move

- Present anywhere with the 1.7kg lightweight, slim design and practical carry case
- Quick start-up and instant-off functions mean less waiting around
- Display PDF documents from USB memory\*
- Present wirelessly from a smartphone or tablet PC with Epson's iProjection App<sup>9</sup>
- Get sound directly from the projector with the built-in 1W speaker

## Intuitive, user-friendly functionality

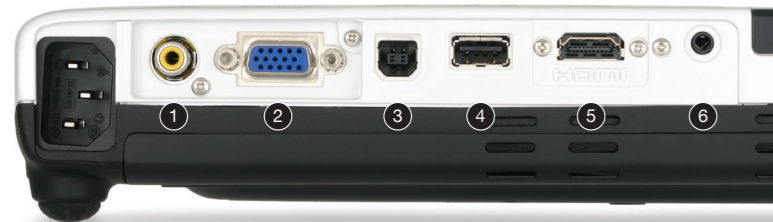

- Short throw lens and 1.2x optical zoom for easy projector positioning
- Screen fit function automatically projects to the appropriate screen size, corrects keystone errors and focuses the image - all at the touch of a button<sup>11</sup>

- Provide presentations with audio and mouse control using a single cable with Epson's 3-in-1 USB connection
- Connect easily and present with fast, responsive Wi-Fi connectivity<sup>7</sup>
- Easily align the projection image with manual horizontal and automatic vertical keystone correction
- Display from two different sources simultaneously via the split-screen function<sup>15</sup>
- Stay in control wirelessly with EasyMP Network Monitor<sup>7</sup>
- Seamlessly build in JPEG files, PDFs<sup>15</sup>, Motion JPEG and sound for high impact presentations from USB memory
- Compatible with Mac or PC

## High-quality, powerful performance

- 3LCD technology for equally high White and Colour Light Output
- Up to 3,000<sup>8</sup> lumens for clear, colourful presentations even in daylight
- HDMI input for high-definition content in razor sharp detail
- Project and magnify small objects or documents by connecting to an Epson USB Visualiser (document camera)

## Connectivity EB-1776W model

### Key

- |                   |               |
|-------------------|---------------|
| 1 Composite Video | 4 USB type A  |
| 2 Computer Input  | 5 HDMI        |
| 3 USB type B      | 6 Audio Input |

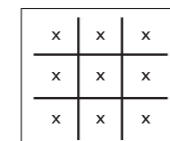

## Epson 3LCD technology

Epson 3LCD technology is at the heart of every Epson projector. This Epson developed technology produces images with incredible detail, smooth, natural colour reproduction and an exceptional greyscale range.

## Amazing White and Colour Light Output (CLO)

Delivering up to 3,000<sup>8</sup> lumens of White and Colour Light Output (CLO) creates bright, colourful images even in daylight. As both the White and Colour Light Output are equal, colours are authentic and vibrant. The Colour Light Output specification measures red, green and blue, each on a nine-point grid, applying the same method used in the ISO 21118 standard for measuring White Light Output.

Brightness (or White Light Output) measures the total amount of white light projected in lumens on a nine-point grid. It does not measure colour.

Colour Light Output uses three sets of a nine-point grid to measure the primary colours - red, green and blue.

<sup>8</sup> Compared to leading 1-chip DLP business and education projectors based on NPD data, July 2011 through June 2012. Colour Brightness (Colour Light Output) measured in accordance with IDMS 15.4. Colour Brightness will vary depending on usage conditions. For more information please visit [www.epson.eu/CLO](http://www.epson.eu/CLO)

<sup>1</sup> EB-1776W model only <sup>2</sup> Application should be downloaded <sup>3</sup> Requires optional wireless LAN key <sup>4</sup> Source: Futuresource Consulting Limited, [www.futuresource-consulting.com](http://www.futuresource-consulting.com) <sup>5</sup> Not available on EB-1751 <sup>6</sup> Only available with EB-1776W or with EB-1761W & EB1771W with optional Wireless LAN unit <sup>7</sup> EB-1776W as standard. EB-1771W/1761W optional <sup>8</sup> Only available with EB-1771W/EB-1776W <sup>9</sup> Included with EB-1776W <sup>10</sup> The warranty can be extended up to 5 years for the projectors and up to 5 years for the lamps or 3,000 hours (whichever comes first) with the Epson Cover Plus Packages. Warranty offers are not available for all countries. Please contact your local Epson representative <sup>11</sup> Image shown is the ELPAP07

# Accessories

Epson offers a wide range of accessories including visualisers, screens and ceiling mounts. To view the full range visit [www.epson-europe.com](http://www.epson-europe.com)

## Epson USB Visualiser ELPDC06

- 2MP image resolution
- Easy to carry, weighs less than 1kg
- Two-in-one USB cable connection for power and display
- 4x digital zoom, 90° head rotation and autofocus function

## Epson Desktop Visualiser ELPDC11

- 5MP image resolution
- XGA/SXGA and WXGA output resolution
- A3 shooting area
- 10x digital zoom

## Epson Desktop Visualiser ELPDC20

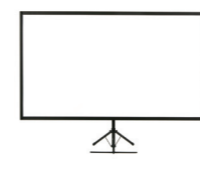

- Full HD 1080p, SXGA, WXGA, XGA and SVGA resolutions
- A3 shooting area
- Total x120 zoom capacity
- Screen refresh rate of 30fps
- PC-Free annotation
- Direct record and playback video

## Epson Pull-up screen - 80in ELPSC24

- 80in pull-up screen
- 16:10 aspect perfect for WXGA and WUXGA projectors
- Ideal for small to medium sized meeting rooms
- Weighs 9kg

## Epson Mobile screen - 80in ELPSC21

- 80in pull-up screen
- 16:9 aspect perfect for gaming and films
- Weighs less than 4kg, with included carry case
- Easy to set up

## Epson Multi-aspect screen 65in/74in/80in ELPSC26

- 65in 4:3 / 74in 16:10 / 80in 16:9 flexible screen
- Weighs less than 4kg, with included carry case
- Easy to set up

## Epson Spare lamp ELPPL65

- Ultra high efficiency (UHE)
- User-replaceable
- Lamp life up to 4000 hours

## Epson Wireless LAN Unit ELPAP07<sup>9</sup> Epson Quick Wireless Connection Key ELPAP09

- Advanced wireless security, control access to your data and presentations
- User-replaceable
- Make fast, secure presentations through the network<sup>11</sup>

## Epson Air filter set ELPAPF31

## Epson EB-1700 Series

# ULTRA-MOBILE PROJECTORS

A slimline, lightweight, convenient and portable projector range packed with all the features and functionality you would want from a mobile projector. Deliver presentations of exceptional quality with 3LCD technology, 'real-time' keystone correction and automatic focus technology<sup>11</sup>, whether you are travelling around a site or across the globe on business.

## Epson EB-1776W

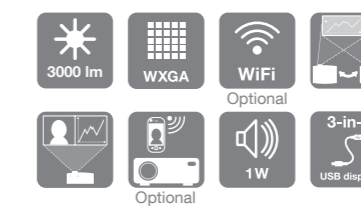

- 3,000 lumens CLO
- WXGA resolution
- 2,000:1 contrast ratio
- HDMI
- USB 3-in-1 connection
- Wi-Fi connectivity
- Automatic vertical and horizontal keystone correction
- Screen fit function
- Light weight, just 1.7kg
- iProjection App
- PC-free presentation
- Split-screen function
- 1W integrated speaker
- Direct connection with Epson ELP-DC06 visualiser

## Epson EB-1771W

- 3,000 lumens CLO
- WXGA resolution
- 2,000:1 contrast ratio
- HDMI
- Optional Wi-Fi<sup>9</sup>
- Automatic vertical and manual horizontal keystone correction

- PC-free connectivity
- Split-screen function
- Light weight, just 1.7kg
- Optional iProjection App<sup>9</sup>
- 1W integrated speaker
- Direct connection with Epson ELP-DC06 visualiser

## Epson EB-1761W

- 2,600 lumens CLO
- WXGA resolution
- 2,000:1 contrast ratio
- HDMI
- Optional Wi-Fi<sup>9</sup>
- Automatic vertical and manual horizontal keystone correction

- PC-free connectivity
- Split-screen function
- Light weight, just 1.7kg
- Optional iProjection App<sup>9</sup>
- 1W integrated speaker
- Direct connection with Epson ELP-DC06 visualiser

## Epson EB-1751

- 2,600 lumens CLO
- XGA resolution
- 2,000:1 contrast ratio
- Automatic vertical and manual horizontal keystone correction

- PC-free connectivity
- Light weight, just 1.7kg
- 1W integrated speaker
- Direct connection with Epson ELP-DC06 visualiser
